

NATIONAL ALLIANCE OF STATE AND UNIVERSITY FLEETS 2024

FLEET INNOVATION AWARD

Due: August 16, 2024

NOMINATION FORM

Nominee: _____

State/Agency/Office: _____

QUALIFICATIONS:

Using examples, please describe how the nominee has demonstrated leadership in his/her organization resulting in measurable cost reduction, the creation of new efficiencies, safety enhancements, or improved customer service.

The nominee must be the fleet director or equivalent of their organization. The nominee must be a member in good standing with NASUF.

CRITERIA:

- Nominee has implemented initiatives to vastly improve customer satisfaction, financial health, and/or driver safety leading to measurable results
- Nominee has implemented a creative approach to solve problems, leading to improved efficiencies
- Nominee pioneers new and creative best practices/processes that can be a model for other fleets

Please use this document to write your nomination. This nomination form and accompanying attachments can be submitted via online form located at [nasuf.net](https://www.nasuf.net). Please do not exceed 3 pages in your nomination.

Problem

Briefly describe what problem the initiative attempted to solve in the fleet:

Initiative and Results/Impact

Briefly describe the initiative and the accompanying results.

Leadership

Please describe the leadership displayed by the nominee. Also, note how the initiative can be a model for other fleets.
